

Choosing a new vendor for your printing, copying, or IT support?

In Southern Maine choose **PCCI** ~ In Central Maine make it **ACCI**

Here's why!

Printers, Copiers, and multifunctional devices

- Kyocera, Toshiba and Savin/Ricoh are the brands that we represent. These are among the top names in the copier industry, and each one offers a comprehensive product line of reliable equipment.
- PCCI/ACCI maintain an extensive stock of parts and supplies. When you need something right now the chances are that we have the item in stock and can get your machine productive again in minutes or hours not days.
- PCCI/ACCI technicians average well over 10 years of experience in the field, and many of our technicians have 15 or 20 years of history working for us.
- PCCI/ACCI buy in combined volume and take advantage of every discount available. We are always among the lowest priced options available even though our product offerings are all top shelf.

IT Services

- PCCI/ACCI Microsoft Certified Systems Engineers "MCSE" offer PC network support and maintenance for organizations that don't have their own IT departments.
- PCCI/ACCI is a Dell reseller and can help you configure just the right components and software for your PC network.

HP and other Laser Printers Supplies and Service

- Through our Free Printer Maintenance Program or "FPMP" we offer great prices on laser printers supply cartridges for most makes of laser printers. If you buy these supply items from us free labor by our technicians to service your laser printers is included in the program.

Digital Copy Center Services - [CyberCopy](#)

- CyberCopy, one of Maine's leading digital copy centers, is a division of PCCI/ACCI. We are located right next door to PCCI at 1006 Forest Ave. in Portland, Maine. We have over 200 pages per minute of digital color output and more than 400 pages per minute of black and white available to meet any deadline.
- CyberCopy is up on all the popular desktop publishing softwares and has wide format color, engineering sized prints, scanning, finishing and binding capabilities to handle most applications.

PCCI/ACCI, we're locally owned and managed, and we have equipment and services to offer. It will not cost your business or organization a premium to do business with Maine's finest supplier of digital imaging technology. Please e-mail me today and we can have one of our professional representatives visit your office to help you evaluate your needs and suggest the right equipment.

A handwritten signature in blue ink, appearing to read "Brad Burns", with a horizontal line extending to the right.

Brad Burns
President PCCI/ACCI
